🔗 Shaikat Sharma's Portfolio   in Shaikat S.   ⦿ Shaikat-CSE

PROFILE

Full-stack Software Engineer with expertise in **Python, Django, Next.js, and React**, building scalable, production-grade web applications. Experienced in **AI and Machine Learning** using **TensorFlow and PyTorch**, and skilled at **mentoring developers** to deliver data-driven, high-impact solutions.

PROFESSIONAL EXPERIENCE

Founder & Lead Instructor   12/2025 – Present
Codemy Bangladesh ⤤
- Launched an online digital skills platform and developed courses for learners in programming, web development, and digital marketing.

Software Developer   01/2025 – 12/2025
QBITX Solutions ⤤
- Developed and deployed three major web applications with 99.9% uptime.
- Integrated AI productivity tools (Copilot, Cursor, Windsurf) to boost speed by 50%.

Senior Instructor   01/2024 – Present
EDGE-CSE CUET Digital Skills Training ⤤
- Conducted training on Machine Learning, Python & Django.
- Trained 100+ learners through a structured curriculum on web and AI technologies.

PROJECTS

Codemy Bangladesh Website
- Developed a complete edtech platform with **Next.js 15 frontend**, **Django 5 REST backend**, **PostgreSQL database**, **Redis for caching**, and **Docker-based deployment** on a VPS.
- Live: https://codemybd.com

Golden Niche BD - E-commerce Platform
- Developed an e-commerce website using **Django, React** & **PostgreSQL** with **payment, order**, user **management**.
- Live: https://goldennichebd.com

QBITX IMS
- Real time inventory management, **API-based product fetch**, **POS**, and **analytics** dashboard.
- Live: https://69.62.75.219/imstransform ⤤ (dm for creds)

EDUCATION

Bachelor of Science in Computer Science & Engineering   2021 – 2024
University of Creative Technology (UCTC)
- GPA: 3.9
- Relevant Courses: Machine Learning, Deep Learning, Algorithms, Web Engineering
- Thesis: AI-Driven Smart Surveillance using Computer Vision

CERTIFICATIONS

- Machine Learning with Python - IBM | CognitiveClass.ai ⤤
- Data Analysis with Python - IBM | CognitiveClass.ai ⤤
- Foundational C# - FreeCodeCamp & Microsoft ⤤
- Become a Data Science Expert with Python & Django - Simplilearn ⤤
